

South Carolina Firefighters' Association
111 West Park Boulevard
Columbia, SC 29201

Executive Committee and Association Members,

Please allow me to take this opportunity to officially announce my candidacy for Fourth Vice President of The South Carolina Firefighters' Association. I made my intentions public to the membership at the annual conference in June of 2017 and asked for their support.

As I start my twentieth year in the fire service. My career started straight after high school, as a volunteer with the Landrum Fire Department. After spending seven years as a full-time paramedic, I began my career with the City of Greer Fire Department in 2004. I currently serve as the Deputy Fire Chief of Operations. I sit on various committees through the SC Fire Chief's Association, and the Greenville County Fire Chiefs Association, striving to make a difference in the fire service.

After graduating from the Associations Leadership Institute in 2013, I realized that our association has so much to offer our membership, and I wanted to remain involved. I began serving on the Strategic Planning committee in 2013, and have done so for the past four years. As a member of this committee, I worked with Executive Committee members, staff and other members to develop the Association's plan for the future.

Our state is moving in the right direction and our association is leading the way. If elected I will work with our Executive Committee to ensure that the best interest of our members is at the forefront of the decision making process, and always be willing to work for you. Working to serve you the membership with a servant's heart. I am asking for your support and vote in June of 2018 for Fourth Vice President of this great association. Thank you in advance and I look forward to meeting as many members as I can over the coming year.

Sincerely,

Joshua M. Holzheimer,
Deputy Chief of Operations
