

LIFE SCAN WELLNESS CENTERS

AND THE SCSFA

About Life Scan Wellness Centers

(LSWC)

- Life Scan provides comprehensive annual physicals tailored for first responders
- Services include:
 - Advanced cardiac and cancer screenings
 - Lab work, ultrasounds, and fitness assessments
 - Early detection of occupational health risks
- Trusted by hundreds of departments nationwide

Who Is Eligible?

- Departments who are a part of the South Carolina State Firefighters Association
- Spouses and retirees are welcome to utilize the services and pay an out of pocket fee at the same rate as the department if the department can support the appointment slots.

How to Get Started

- Fire departments should submit a contact form from our website and mention their association with SCSFA.
<https://lifescanwellness.com/contact/>
- LSWC will then reach out with pertinent information within 24-48 hours.

Participation Requirements

- A minimum of 45 participants is required per department
- Departments may:
 - Partner with other departments within the Trust
 - Collaborate with departments outside SCSFA that already use or wish to use Life Scan services

Agreement Details
