Dear Officer Section Board:

It is my intent to run for the position of Treasurer on the Officer Section Board.

My fire service journey began in 1999 as a volunteer in Anderson County. In 2003, I was blessed to receive a full-time position with the South Greenville Fire District. I currently serve as the District Chief on B-Shift. I was unaware of the Officer Section's offerings until I was told about the Company Officer Academy. As a graduate of class 24-01, I feel that the association and the officer's section are a tremendous benefit to our state's fire service. I desire to help promote the section and support the association in any way possible.

I served as Treasurer for the section for the last year. I look forward to the opportunity to serve our association and state in a greater capacity. Being part of the mentorship program, I desire to see it flourish and help others across the state. Through the service to others, I believe that we can make a positive and lasting impact on South Carolina's fire service.
