Wills for Heroes
"It's important for your family to get a Will"

At Nelson Mullins we appreciate the extraordinary sacrifices made by firefighters, police, dispatchers, and emergency medical technicians every day. To show our appreciation for their efforts and sacrifices, we offer the **Wills for Heroes Program**.

The program offers first responders **free** will preparation services. It is very important that every first responder has a will and healthcare advanced directive. We encourage spouses to participate too. If you do not have either, please take advantage of the Wills for Heroes Program on **Thursday July 25, 2024 from 9:30a to 1:00pm at the law offices of Nelson Mullins, 1320 Main St., Suite 1700, Columbia.** **You must make an appointment and schedule a time.**

If you would like to have a will or power of attorney drawn up **free of charge** please complete the process below:

1. Please contact Emily Guerrero at (843) 534-4102 or by email Emily.Guerrero@nelsonmullins.com to set an appointment time. **Please attempt to make your appointment by July 19. Appointments fill up fast, so please book in advance.**
2. After your appointment is made, we will email you a questionnaire to complete. Your spouse will receive a questionnaire too. **Please bring the completed questionnaire with you to your appointment** to assist with preparing your will.
3. This clinic is unable to serve persons with large or complicated estates, those who want to set up sophisticated trusts, those who have beneficiaries (e.g., a spouse or children) who are on needs-based assistance (such as SSI disability or Medicaid), or those who would like to exclude their spouse from the will.
4. This program is very popular, and we have limited appointments. If you cannot make your appointment, please let us know right away so we can schedule someone from the wait list.
