Remembering those who gave their all

The 21st anniversary of the September 11, 2001 terrorist attacks is on Sunday. As we approach the day, Association President Josh Holzheimer shares a few words.

"As we recognize the 21st anniversary of September 11, we remember all those selfless servants who ran into harm's way to rescue citizens in a time of need. Knowing that 343 firefighters lost their lives that day, we vow to always remember and never forget their heroic actions on that day," said Pres. Holzheimer.
