Fire-Rescue 2022 recap

Thank you for an *incredible* week at the beach for [Fire-Rescue](#). Your participation in conference is what makes the experience exceptional, and we are thankful you choose to train with your Association.

Before we break down the week, go ahead and save the date for **Fire-Rescue 2023: June 14-17, 2023, in Myrtle Beach.**

The **Foundation golf tournament** was the official kick-start to the events of the week. The funds raised from the tournament will benefit the state's first responders in times of need or during hardships.

Congratulations to [tournament winners](#) Southeastern Extrication School (Byron Hayden, Lee Hopkins, Bryce King, George Munk); second place winners Sumter City 1 (Deron McCormick, Gary Mixon, Ernie Dollard, Adam Bryant); and the third place team Sumter City 2 (Brian Christmas, Jefferey Shirley, Joey Dollard, Jamie Allsbrooks). [Ethan Short](#), 15 years old, bested over 130 players to land closest to the pin at hole 3 and won a 1-day BMW driving school experience for teens. Congrats and well-deserved, Ethan! The highest bidder for the 2-day BMW driving school experience was Kyle Minick. Enjoy, Kyle!

Thursday included the Opening Ceremonies and Business meeting, Fire Service Roundtable, and the vendor hall soft opening that evening. Both

the [Opening Ceremonies](#) and [Roundtable discussion](#) were livestreamed and are now available to watch on our [YouTube channel](#).

Friday was a busy day for Fire-Rescue attendees. In addition to classroom training all day, the [Explorer/Junior Firefighter Competition](#) was held and [FireSafeSC awards](#) were presented.

The Banquet and Transfer of Command ceremonies on Saturday evening closed conference. Immediate Past President Jamie Caggiano passed the gavel to President Josh Holzheimer and elected officials transitioned to their new ranks. Guidance on defining 'volunteer'

What really defines a volunteer firefighter? The definitions around volunteerism, especially in the fire service, are often unclear and left up to the interpretation of leadership.

The International Association of Fire Chiefs (IAFC) saw a need for clarification of the Fair Labor Standards Act (FLSA) and in 2007 published [“Managing Volunteer Firefighters for FLSA Compliance: A Guide for Fire Chiefs and Community Leaders”](#) to help address the question: **[What makes a volunteer, a volunteer?](#)**

Reminder: South Carolina Firefighter Healthcare Benefit Plan

The **South Carolina Firefighter Cancer Health Care Benefit Plan** became effective **July 1, 2021**. The legislature appropriated funding in the FY 2021-2022 budget for State Fire to purchase an insurance policy to provide the benefits defined in the statute. After a competitive bidding process, managed by the South Carolina Division of Procurement Services, the contract for the insurance policy was awarded to AXIS Insurance Company. AXIS will be utilizing Provident Agency, Inc., for claims management and processing and the South Carolina Firefighters Insurance Services for local claims assistance.
