Return to Work

108.12 COVID-19 Return to Work Extension - (Technical) This proviso exempts retired SCRS or PORS members who return to covered employment to participate in the state's public health preparedness and response to COVID-19 from the earnings limitation. This amendment updates the fiscal year reference. Governor's Executive Budget **Included by the House and Senate Finance.**

108.16 (Return to Work – 12-month Waiting Period and Critical Needs for Law Enforcement) For compensation earnings during the current fiscal year, the earnings limitation does not apply if a member of the Police Officer Retirement System has not been engaged to perform services for a participating employer in the system or any other system provided in ~~this title~~ Title 9 for compensation in any capacity, whether as an employee, independent contractor, leased employee, joint employee, or other classification of worker, for a period of at least twelve consecutive months subsequent to retirement. The exemption provided under this provision does not apply unless the member first certifies to the system that he satisfies the requirements for the exemption. If a member inaccurately certifies that he satisfies the requirements for the exemption provided in this provision, the member is responsible for reimbursing the system for any benefits wrongly paid to the member.

For compensation earnings during the current fiscal year, the earnings limitation does not apply if compensation received by the retired member from the covered employer is for employment in a critical needs law enforcement or firefighter position as determined by the Law Enforcement Training Council. For this provision to apply, the Law Enforcement Training Council must review and approve, from the documentation provided by the covered employer, that no qualified, nonretired member is available for employment in the position, and that the member selected for employment meets the requirements of this provision. No later than January 1st of the current fiscal year, the Law Enforcement Training Council must submit a report to the Chairman of the Senate Finance Committee and the Chairman of the House Ways and Means Committee of the positions requested for inclusion in the earnings limitation exception under this provision. The earnings limitation exception in this provision only applies to those positions approved by action of the General Assembly for the fiscal year in response to the report submitted by the Law Enforcement Training Council. The Law Enforcement Training Council shall develop guidelines and curriculum for these officers to be recertified.

For compensation earnings during the current fiscal year, the earnings limitation does not apply if a member of the South Carolina Retirement System has not been engaged to perform services for a participating employer in the system or any other system provided in ~~this title~~ Title 9 for compensation in any capacity, whether as an employee, independent contractor, leased employee, joint employee, or other classification of worker, for a period of at least twelve consecutive months subsequent to retirement. The exemption provided under this provision does not apply unless the member first certifies to the system that he satisfies the requirements for the exemption. If a member inaccurately certifies that he satisfies the requirements for the exemption provided in this provision, the member is responsible for reimbursing the system for any benefits wrongly paid to the member. **The House amended the original proviso to add critical need language which is underlined above. However, the Senate Finance Committee deleted the new language leaving the original 12 month waiting period proviso language.**

Income Tax Relief

The Governor and the General Assembly revised individual income tax provisions to lower the individual income tax rate from 7 percent bracket to 6.5 percent in tax year 2022. Further, depending upon General Fund revenue growth, the 6.5 percent rate would be reduced by an additional 0.1 percent per year beginning in tax year 2023 until the rate is lowered to 6 percent. The Governor is asking the General Assembly to lower the individual income tax rate from 6.5 to 6.4. Governor's Executive Budget **Funded by the House and Senate Finance Committee.**

109.16 Active First Responder Tax Credit - The Executive Budget recommends adding this new proviso creating a \$2,000 income tax credit for tax year 2023 to active sworn law enforcement officers, firefighters and

emergency medical technicians. Governor's Executive Budget This new proviso was included in the Governor's Executive Budget; however, **not included by the House or Senate Finance.**

109.17 Tax Exemption for Police Officer and FireFighter Retirement Income - This proviso authorizes retirement income received by a qualified first responder through the Police Officers Retirement System (PORS) is exempt from individual income tax for tax year 2023. Governor's Executive Budget This new proviso was in the Governor's Executive Budget; however, **not included by the House or Senate Finance.**
