Committee Reports

Old Business - none to report

New Business

A list of unpaid membership dues was emailed to everyone please be aware and help us remind those folks there membership dues should be paid by January 31, 2015 to remain in good status with the SCSFA.

It was mentioned that as soon as a department pays there membership dues, membership cards are mailed to the department for distribution. On the back of the card is our website where you can visit the benefits tab to see where offers discounts if you show your membership card.

Lee Levesque mentioned that we rank number 5 in the nation with 95 fire fatalities in 2014. Ask if we would be willing to talk about partnering with Fire & Life Safety group to discuss how we can get the message out so that in 2015 hopefully our numbers will be lower. Leroy from Professional Firefighters suggested maybe a PSA to get the message out to folks.

There will be a Walk tomorrow morning at the Lake Murray Dam at 7:00 am all are encouraged to attend.

Meeting adjourned at 3:40 pm.
