

## LARRY FINNEY, CPA

---

Larry is a partner with Greene Finney, LLP, a CPA firm based in Mauldin, South Carolina. Greene Finney focuses on working with local governments and nonprofits, including over 20 special purpose districts in SC. Larry has worked with fire districts for over 20 years including financial audits, advisory help, and outsourced accounting and payroll. Larry has helped clients in many areas, including 1% compliance, budgeting, debt management, capital improvement plans, multi-year financial projections, risk assessments, and communications with county and other elected officials. Larry has also led the Greene Finney team that has worked with the SC State Firefighters Association to improve the efficient and effective use of the 1% funds by fire districts and departments throughout the state.

Most importantly, Larry is married to Tamara and has three children and two grandchildren. He is involved in serving at his church and working with some nonprofits. Larry loves the outdoors-mostly hiking, biking and running.
