

2019 – 2020 AIRMEDCARE NETWORK OPEN ENROLLMENT

Dear South Carolina Firefighter,

Great News! The South Carolina Firefighter's Association (SCFA) has arranged for AirMedCare Network (AMCN) to provide South Carolina Firefighters with a special "firefighters – only" discounted rate.

Annual Membership Fees for South Carolina Firefighter's Association Firefighter Members

\$30 – Household – 1 Year Membership (multi-year memberships available)

As your local air ambulance, serving South Carolina residents from our surrounding bases, Med-Trans understands the critical aspect of time in treating medical emergencies. Our mission is to make it possible for people living in all areas to get the life-saving emergency care they need, when they need it. For those of us living in rural America, our recovery can depend on how much time it takes to be transported to emergency medical treatment.

Med-Trans is a participating provider in the AirMedCare Network (AMCN) the largest Air Ambulance Membership Network in the United States. An AMCN membership automatically enrolls you and your household in all network provider membership programs, giving you membership coverage in over 320 locations across 38 states and growing.

In the event you are flown by Med-Trans for a life or limb-threatening emergency, we will work directly with your benefits provider to secure payment for the flight. As an AMCN member you will have no out-of-pocket expenses related to your transport if you are flown by Med-Trans or any AMCN participating provider.

All AMCN service providers work cooperatively to provide the highest levels of care for you, your family, and your community. Even with medical insurance, an air ambulance transport can leave you with unexpected out-of-pocket expenses burdening your finances and family.

Thanks to the support of over 3.2 million members, AirMedCare Network providers can provide financial peace of mind for you and your family...while providing this vital service to your community.

Please let me know if you have questions or require assistance with your department's registration.

We look forward to continued support and service to the firefighters of South Carolina and to the South Carolina Fire Fighter's Association.

Sincerely,

Wes McAden
